This Message is for Cigarette Smokers Everywhere. Lord Salisbury TURKISH CIGARETTES. IT'S a risky thing to advertise a cigarette the way I do unless it has the merit claimed for it, because my advertising is sure to be criticised. If the advertising doesn't stand the test, it will be worse than no advertising at all. So, I haven't said a thing about Lord Salisbury that isn't 100% pure. Read this next paragraph carefully and see if it doesn't solve your cigarette problem in three distinct ways. Next week I will show you figures that will prove it. Lord Salisbury is the only 100% pure all-Turkish-tobacco cigarette in existence that sells for as low a price as 15 cents for 20. All others cost more money. Consequently Lord Salisbury saves you 25 per cent on your cigarette bill—and the more you smoke the more you save. W. K. Cochrane Pres. W. K. Cochrane Adv. Agency. For the sake of Economy and Taste you owe it to yourself to try Lord Salisbury now.
